Recall Notice – Crown Royal Reserve 12-Year-Old Canadian Whisky

Newfoundland and Labrador Liquor Corporation (NLC) is informing customers and the public of a Canadian Food Inspection Agency recall on Crown Royal Reserve 12-Year-Old Canadian Whisky (750ml) due to possible presence of glass. NLC has already been in contact with Diageo Canada Inc. to identify the affected lot code #5199. All 12 cases of affected inventory have been accounted for and were immediately removed from store shelves and distribution channels.

See below for images of the recalled product, including a photo of the affected lot code #5199. The code can be located on the back of the bottle, near the bottom. Anyone in possession of the recalled product should not consume the product. For more information, please see the contact information below.
