Category Manager will email Local Agents and Suppliers, in the period specified above, to notify them that a Call for Order is open, details of any specific criteria they are looking for, as well as applicable deadlines.

Limited One Time Orders (OTOs) will be considered and listed during a scheduled Full Product Call and Review.

Submissions from prospective new suppliers will be limited to Product Call #1 for April 2025.
However, Category Management reserves the right to alter this if circumstances warrant.

CATEGORY REVIEW PROCESS

STEP 1: CALL FOR ORDER	STEP 2: SUBMISSION & PRESENTATION	STEP 3: REVIEW OF SUBMISSIONS	STEP 4: FINAL LISTING & DELISTING DECISIONS
Category to review the category and notify Agents and Suppliers of criteria that they are looking for in the new listings.	Agents and Suppliers are to submit applications for products they wish to list for sale and should include presentations and product pictures.	Applications are reviewed by Category Management. Meetings with Category may be requested at this time.	Category Management to make final decisions and notify Agents and Suppliers of listings and delistings.
